PRAISE FOR THE NEW BUSINESS BRIGADE

“Using veterans with the experience and fortitude to make things happen will make any business prosper. This book has some very good examples on how to shift outdated thinking about employees and look at what veteran's critical skills, focus, experience, and dedication can bring to the office..” —Robert Linares

“This book opened my eyes and made me aware of the things I had no idea the majority of veterans go through. The 99% of us who are not veterans need to understand how this 1% is impacting our current lives in ways we have never thought about before...” —Sergio Rodriguez

PRAISE FOR LYING BELIEFS

“Lying Beliefs is a spiritual and psychological analysis of the pitfalls of the subconscious. The theoretical aim of the book is based on a kind of New Age mysticism that synthesizes spirituality, psychology, and scientific theories on things such as solar energy.” —Pacific Book Review

“A proposed alternative to traditional religious ideologies, focusing on the inherent godliness of every human being. Though theoretically written for and aimed at, well, everyone...”

—Kirkus Reviews
